EYELASH EXTENSIONS

NATURAL LASH — **200K**
Soft, subtle, and effortlessly elegant
Enhance your natural lash line with light, tapered extensions that provide gentle lift and added length. Ideal for those who want an everyday no-makeup look that still turns heads.

CAT EYE LASH — **150K/175K/200K**
Flirty lift and outer-edge drama
Designed with length that gradually increases toward the outer corner, this sultry style gives your eyes a winged, feline effect — bold yet refined. Choose between a natural/medium/volume look.

RUSSIAN LASH — **150K/175K**
Bold and beautifully full
Multi-lash fans are delicately applied to each natural lash, creating soft, lush volume without heaviness. Perfect for glam lovers and special occasions. Choose a natural or medium look.

VOLUME LASH — **225K**
Full, soft, and weightless lashes
This treatment gives your eyes a naturally fuller look with lightweight, multi-layered lash extensions. Fluffy, voluminous, and comfortable—perfect for effortless beauty day and night.

WISPHY LASH — **250K**
Delicate, romantic, and textured
A mix of lash lengths and feathered placement creates a soft, fluttery effect — ideal for those seeking fullness with a light, airy finish.

MEGA VOLUME LASH — **270K**
Maximum intensity. Full drama
For the bold and fearless — ultra-fine, high-density lash fans deliver intense volume, deep black tones, and dramatic definition.

LASH LIFT — **150K**
Naturally lifted, effortlessly beautiful
A gentle treatment that lifts and curls your natural lashes from the root—opening up your eyes and giving you a fresh, wide-awake look. No extensions needed, and results last up to 6–8 weeks.

LASH LIFT + TINT — **170K**
Your natural lashes, perfectly enhanced
No extensions required. This treatment lifts, curls, and darkens your natural lashes — giving you effortless brightness and definition that lasts 6–8 weeks.

BROW LAMINATION — **185K**
Smooth, lifted, and fuller-looking brows
This treatment softens and reshapes your natural brows, setting them into a neat, lifted style that lasts. Perfect for achieving that fluffy, fuller brow look with minimal effort.

BROW LAMINATION + TINT — **200K**
Fluffy, defined, and naturally fuller brows
This combo treatment lifts and sets your brows into a soft, brushed-up shape, then adds a custom tint for extra depth and definition. The result: fuller-looking brows that stay in place effortlessly.

EYELASH REMOVAL — **60K**
Safe, gentle, and restorative
Designed to protect your natural lashes, this gentle removal process dissolves adhesive without damage, making space for your next lash set or a fresh start.
